Earned Discount Privilege works this way: You receive a 50% discount on any Section 1 wholesale order when you order a minimum \$225 wholesale (\$450 retail). **You will continue to receive a 50% discount on any Section 1 product order (regardless of size) as long as you remain “Active”.**

“Active” status: The month you place a minimum \$225 wholesale order (\$450 retail) and the two following calendar months you are considered “Active.” As long as you remain “Active” you receive your Earned Discount Privilege and 50% discount buying power plus the privilege to use the Customer Delivery Service (as long as you also maintain a Propay account)! The \$225 wholesale minimum may be accrued **cumulative** during any single month period. For example, should you already be “Active” and take advantage of your Earned Discount Privilege and place two wholesale orders during a single month period totally \$225 wholesale cumulative during that month period; you would start over again with the month being your **NEW** “Active” Status (A1) and you would have two further months of “Active” status available after that month.
